

# GREEN APPLE TOURNAMENT RULES 2019

NAGVA/USAV rules apply

Line up sheets must be updated with added/removed players. Uniform numbers must be listed. The Regional Commissioners and/or Tournament Director reserve the right to charge a team a time out to make sure these are updated.

All players must be signed in on the waiver before playing a point. Teams that do not comply may forfeit each match they played with any unsigned players. The Regional Commissioners and/or Tournament Director reserve the right to charge a team a time out to make sure waivers are signed.

Rotation/Substitution –Teams with more than six players may opt to either rotate or substitute players for that match, but not both. The choice must be made before each match and be communicated to the up ref and opposing captain at the coin toss. If a team opts to rotate, the Gotham Rules of League Play will apply. For teams that substitute or use a libero, NAGVA substitution rules will apply. If a team fails to communicate its preference at the coin toss (even if it appears that a team has a libero), it will be assumed the team wishes to rotate.

## **POOL PLAY**

All pool play takes place on Saturday. Teams will play four matches consisting of two 25-point sets per match starting at 0-0, with a 27-point cap and two time-outs allowed per team per set.

All pool play matches will be timed by a universal clock. Consequently, matches throughout the gym will begin and end at the same time. Teams will be allowed a warm-up period before each match and allotted a specified amount of time to play both sets. Teams will be signaled at the beginning and end of each match. Teams will need to monitor their 5-minute warm up period and start play on time. The clock will not stop between the first and second set. A two-minute warning will be given toward the end of each match. After this warning, no time-outs may be taken, however, substitutions will be allowed. If play is in progress when the end-of-match signal is given, the point will be played until the ball is dead. The set may not end in a tie.

Forfeits will be strictly enforced according to USA Volleyball rules if a playing team is not ready when a match is scheduled to begin. If the assigned working team is not present and ready to start a match, they will forfeit the first set of their next match, inclusive of Double Elimination rounds. For teams substituting, the USA Volleyball substitution rule will be in effect.

## **PROTESTS**

Protests must be made lodged by the end of the match and noted on the scoresheet. Any delay will forfeit the protest.

## **ELIMINATION PLAY**
